

Mulrox and the Malcognitos

Discussion Questions Part 1: The Beginning

1. Have you ever been afraid to share something you made? If so, Why? Have you ever been afraid to share an idea because you thought it wasn't good enough? What do you do when you feel this way?
2. Have you ever felt like you were different than everyone else? That you had to pretend to be someone you aren't?
3. Who is your Geraldine? Who can you always be yourself around? What do they do to make you feel safe?
4. What do you think it would be like to live in Ulgorprog? Would you want to visit an ogre village?
5. Mulrox doesn't love a lot of what it means to be an ogre, but he does love the Proggrog. What's your favorite family or community tradition?
6. Mulrox has a lot of love and pride for the home his parents made. What is special to you about where you live? What makes it unique?
7. Have you ever had a relative stay with you who took your room? What did that feel like?
8. What would you do if your bad ideas came to life? If your malcognitos showed up and asked for your help would you help them?
9. Have you ever had a malcognito? What was the funniest bad idea you ever had?
10. Have you ever wanted to get something right so bad that you didn't do anything at all? What did that feel like?
